

## Newsletter - 5th May 2017

Welcome back to an action packed Summer Term!  
We have an abundance of visits and activities to enjoy over the coming weeks so watch this space.....

### RAMSDEN FARM

Year 3 had a lovely visit to the farm. The children spent the morning pond dipping and found lots of interesting creatures including newts and frogs! They then looked for further mini beasts on land and discovered many insects in a range of habitats. Finally they got to see the bit they had been waiting for - the lambs! The children were lucky enough to see lambs that had been born that day. As you can see from the pictures, i'm sure you'll agree, they were very cute.
